

Dear Friend of Rupert A. Nock Middle School Children:

If you have been one of the many supporters who have participated in various PTO fundraising events in support of the Rupert A. Nock Middle School, we extend to you once again, our heartfelt thanks. Through your participation in our events, you have supported field trip buses, in school enrichment programs and scholarships for Camp Kieve and the 8th grade class trip. These wonderful programs would not happen without your involvement.

We also know that while you have the desire to financially support the Rupert A. Nock Middle School, some of the fundraisers may not necessarily appeal to your needs or interests, or may not provide the tax credit you wish to see for your donations.

This is why we are initiating an **Annual Appeal** that provides you an opportunity to support the Rupert A. Nock Middle School with a one time, **tax deductible donation.**

A direct contribution provides the added benefit of using your employers Matching Gift Program, a wonderful way to double or even triple your donation. Please encourage your spouse, family members and friends to take advantage of their company's matching gift program. Your employer has all the details needed to participate.

Sincerely: All members of the Rupert A. Nock Middle School PTO

Please make checks payable to the Rupert A. Nock Middle School PTO and mailed to the PTO at Nock Middle School 70 Low St, Newburyport MA, 01950

RAN PTO Donation Form

Thanks for Your Support!

All parents and teachers are automatically members of the RAN PTO and invited to attend all meetings. There are no membership dues. Instead, parents are asked to make a donation amount of their choosing to the RAN PTO. All donations are used to support programs and school needs.

I/we wish to donate to the RAN PTO:
